Solar Powered Street Lighting Systems

URJA brings you high quality
durable & rust free solar street
lighting systems

Solar Powered LED Street lighting system – 8W

Light Intensity: >600 Lumens
Solar PV module: 37Wp
Autonomy: 3 Days
Solar Charge controller-5A
Battery SMF-42AH/12V
LED Make: Samsung / OSRAM / Nichia

Solar Powered LED Street lighting system – 15W

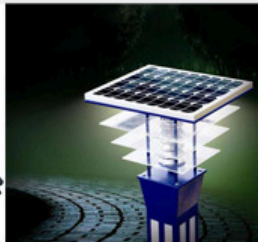

Light Intensity: >1000 Lumens
Solar PV module: 60Wp
Autonomy: 3 Days
Solar Charge controller-8A
Battery SMF-65AH/12V
LED Make: Samsung / OSRAM / Nichia

Solar Powered LED Street lighting system – 24W

Light Intensity: >1800 Lumens
Solar PV module: 100Wp
Autonomy: 3 Days
Solar Charge controller-10A
Battery SMF-100AH/12V
LED Make: Samsung / OSRAM / Nichia

Solar Powered LED Street lighting system – 27/30W

Light Intensity: >2000 Lumens
Solar PV module: 110Wp
Autonomy: 3 Days
Solar Charge controller-10A
Battery SMF-125AH/12V
LED Make: Samsung / OSRAM / Nichia
